Part of
Public Record

1. Arthur Misiaszek
Senior Project Manager
Gannett Fleming
amisiaszek@gfnet.com
misiaszeka@comcast.net
2. Member as Representative from the state of CT
3. My experience includes inspection, maintenance, design, construction, and operations of railway systems. Specifically, I have 13 years of experience at Conrail, 23 years at Amtrak and 8 years at Gannett Fleming, Inc. I am familiar with the FRA Track standards, RTC Modeling, Stringlines, Stakeholder engagement, Federal Grants, reporting, estimating, scheduling and design, construction, and management of railroad projects specializing in general railroad systems. I am currently a licensed register professional engineer in New York and Ohio. When I was employed, I was qualified to inspect and maintain track and bridges. I was qualified on the Conrail MW 4, Amtrak MW 1000, Amtrak RWP - including lone worker, Amtrak AMT 2, and NORAC. I am also a current AREMA member serving in the past as Committee 17 Chair, AREMA Board of Directors, and VP of the AREMA Passenger & Rail group.
4. I am willing to serve as an independent, objective, and non-biased member of the PRAC.
5. I agree to serve as a representative from CT and hope that I can continue to serve the rail industry that I have a passion for.
