Re: Docket No. EP 774 (Sub-No. 1)

Dear Chairman Fuchs:

I am writing to express my support for the nomination of DJ Stadtler to serve on the Surface Transportation Passenger Rail Advisory Committee (PRAC). Mr. Stadtler would excellently serve as the “1 representative from a state that provides funding for intercity passenger rail. For purposes of ensuring geographic diversity within PRAC’s membership, this representative cannot be from the same State as any of the representatives described in Paragraphs 2 and 5 of this section.” Amtrak would welcome Virginia Passenger Rail Authority’s (VPRA) perspective on ways to improve passenger rail.

Mr. Stadtler is well qualified to serve on the PRAC and would bring a deep knowledge of the challenges and opportunities confronting intercity passenger rail service. He has spent most of his profession in the transportation industry, with a specific emphasis on rail issues. Mr. Stadtler is well respected in the rail industry and has an exemplary background covering Virginia (in his current role as Executive Director for VPRA), but also, he has covered the entire national network in his previous positions.

Thank you for your consideration.

Sincerely,
