You don't often get email from caneuhar@up.com. [Learn why this is important](#)

Hello Adam—I received your voicemail message about the reference in UP’s CEHR in the above-referenced matter. Just confirming that there is no third-party study or report. The reference in the CEHR reflects Union Pacific’s internal evaluation of the bridge and its ability to handle loaded railcars without substantial repairs.

Should you need anything else, please let me know.

Thank you,

**Christine A. Neuharth**
