Hello Catherine,

Yes, we extended the initial comment period for agencies, officials, and tribes to **April 14** after updating the maps based on updated geographic data submitted by the applicant. The letter sent to agencies, officials, and tribes on March 14 is posted on our web site in the Environmental Comments section as EO-4000, which includes updated maps and the distribution list.

Sincerely,

You don't often get email from catherine.vanarnam@house.texas.gov. [Learn why this is important](#)

Good morning Adam,

Thank you on behalf of the Representative and our shared constituency for handling the high volume of interest in the proposed rial line through Burnet and Lampasas Counties here in Texas.

Have seen online that the initial comment period has been extended to April 14?
Wanted to check on that!

Gratefully,
