- (c) CFNR and UP are entering into a sixth amendment to the Original Lease in order to extend the term of the lease and to make other commercial revisions.
- (d) The current operator of the Leased Lines is CFNR, and CFNR will continue to be the operator after the transaction.
- (e) Brief Summary of the Proposed Transaction: In 1993, CFNR entered into an

agreement with SP (as a predecessor to UP) to lease and operate the Leased Lines pursuant to the Original Lease. *California Northern Railroad Company – Lease and Operation Exemption – Certain Lines of Southern Pacific Transportation Company*, ICC Finance Docket No. 32353, 1993 WL 394561 (served Oct. 5, 1993). The Original Lease was for a period of ten years and automatically renewed thereafter. UP succeeded to the rights of SP as a result of the UP/SP merger. *See generally Union Pacific Corp., et al. – Control and Merger – Southern Pac. Rail Corp. et al*, ICC Finance Docket No. 32760, Decision 44, 1996 WL 46736 (served August 6, 1996).

CFNR and UP have now agreed to amend the lease to further extend the term and make other commercial changes.

- i. The name and address of the company leasing the Leased Lines is Union Pacific Railroad Company, 1400 Douglas Street, Mailstop 1350, Omaha, Nebraska 68179.
- ii. The Amendment will be effective upon the effective date of this Notice of Exemption, thirty days after filing (or upon the grant of the requested labor notice waiver). CFNR is currently operating the Leased Lines under the terms of the Original Lease as amended and will continue to do so until the Amendment becomes effective.
- iii. The mileposts of the Leased Lines are: (i) the Schellville Branch, from milepost 48.97 (east leg of wye) and milepost 48.93 (west leg of wye), at Suisun, CA, to milepost 63.40, near Lombard, CA; (ii) the Napa Branch, from milepost 61.61, at Lombard, CA, to the bumper near Rocktram, CA, at milepost 67.50; (iii) the Vallejo Branch, from milepost 61.42, at Napa Jct., CA, to milepost 68.87, at Vallejo, CA; (iv) the West Valley Line, from milepost 75.66 (east leg of wye) and milepost 75.58

(west leg of wye), at Davis, CA, to milepost 186.30 (east leg of wye toward Portland, CA) and milepost 186.33 (west leg of wye toward Roseville), at Tehema, CA; (v) the Hamilton Branch, from milepost 180.40,¹ at Wyo, CA, to milepost 169.00, at Hamilton, CA; (vi) the Los Banos Branch, from milepost 83.00, at Tracy, CA, to milepost 140.07 at Los Banos, CA; (vii) the Sugarfield Industrial Lead from milepost 85.56 at Woodland, CA, to milepost 88.25 at Sugarfield, CA; and (viii) Johns Manville Industrial Lead from milepost 150.0 at Willows, CA to end of UP track ownership at milepost 152.68.²

- iv. The total route miles to be leased and operated is approximately 183 miles.
- (f) Attached as Exhibit A to this Notice of Exemption is a map of the Leased Lines.
- (g) CFNR certifies that its projected revenues as a result of the transaction will not exceed those that would qualify it as a Class III carrier.
- (h) CFNR certifies that the Original Lease which is being amended includes an existing interchange commitment. In this transaction, the Original Lease contained an interchange commitment that potentially affects interchange with carriers other than SP (now UP). The

¹ The original grant of authority by the I.C.C. in Docket 32353 misidentified this milepost as 280.40.

² In addition to the lines described above, the original grant of authority by the I.C.C. in Docket 32353 included SP's Northwestern Pacific ("NWP") Line from NWP milepost 142.50, near Outlet, CA to NWP milepost 40.60, near Schellville, CA, to SPT milepost 63.40, near Lombard, CA. CFNR assigned its rights to the NWP Line to the North Coast Railroad Authority in 1996. *North Coast Railroad Authority-Lease and Operation Exemption-California Northern Railroad Company, Northwestern Pacific Railroad Authority, and Golden Gate Bridge, Highway and Transportation District*, STB Finance Docket No. 33115, 1996 WL 548249, fn. 2 (served Sept. 27, 1996). Further, the original grant of authority for the Los Banos Branch extended to milepost 141.17. UP and CFNR obtained authority to abandon/discontinue that segment of rail line in 2001. *Union Pac. R.R. Co. – Abandonment Exemption – in Merced County, CA*, STB Docket No. AB 33 (Sub-No. 179X); *California N. R.R. Co. – Discontinuance Exemption – in Merced County, CA* STB Docket No. AB 458X (served Sept. 5, 2001).

following additional information is provided by CFNR with respect to the interchange commitment:

- i. As noted above, the Original Lease contains an interchange commitment that affects interchange with carriers other than SP (now UP) at the interchange points shown on the map attached as Exhibit A.
- ii. A confidential version of the Lease is being submitted under separate cover as part of a Confidential Appendix governed by 49 CFR 1104.14(a).
- iii. A list of the shippers who currently use or who have used the Leased Lines in the last two calendar years, and whose traffic is subject to the interchange commitment is attached hereto as Exhibit B.
- iv. The aggregate number of carloads originated or terminated within the last two calendar years by the shippers identified in subparagraph iii above is included as part of the Confidential Appendix.
- v. CFNR hereby certifies that, as set forth in the certificate of service, it has provided notice of the proposed transaction and the interchange commitment by serving a copy of this Notice of Exemption on the shippers identified in subparagraph iii above.
- vi. In addition to UP, Sonoma-Marín Area Rail Transit (SMART Freight) physically interchanges with the Leased Lines.
- vii. CFNR does not have the information to estimate the difference between the rent with and without the interchange commitment at the time of the Original Lease. Moreover, in connection with the current amendment and extension of the lease there was no discussion or negotiation of the lease with and without the

commitment. Accordingly, CFNR requested an estimate of the difference from UP as permitted by the Board. *Information Required in Notices and Petitions Containing Interchange Commitments*, STB Docket No. EP 714 (served September 5, 2013), slip op. at 5-6. A copy of the UP response is included in the Confidential Appendix.

- viii. The caption of this proceeding reflects the existence of the interchange commitment.
- (i) In addition to the information set forth above, CFNR certifies that its revenues currently exceed \$5,000,000. However, since CFNR will continue to be the operator of the Leased Lines both before and after the transaction, CFNR is requesting a waiver of the labor notice requirements under 49 C.F.R. §1150.42(e). *See* request for waiver set forth below.

Labor Protection

CFNR is a Class III carrier, and pursuant to 49 U.S.C. §10902(d), approval of this transaction may not be subjected to labor protection conditions. Additionally, since CFNR is already the operator of the Leased Lines, there will be no employees adversely affected by the lease arrangements.

Environmental and Historic Reports

This is an extension of a lease for continued rail operations that will not result in changes in carrier operations that will exceed the thresholds established in 49 C.F.R. §1105.7(e)(4) or (5). Further Board approval is required for CFNR to discontinue (or for UP to abandon) service, or to dispose of or alter properties subject to the Board's jurisdiction that are 50 years old or older. Accordingly, no environmental or historic documentation is required. *See* 49 C.F.R.

§1105.6(c)(2); 49 C.F.R. §1105.8(b)(1).

Caption Summary

Attached hereto as Exhibit C is the caption summary required by 49 C.F.R. §1150.44.

Request for Waiver of Notice Requirements of 49 C.F.R. §1150.42(e)

As noted above, CFNR's total revenues exceed \$5,000,000. Under the Board's regulations at 49 C.F.R. §1150.42(e), CFNR would be required to give sixty days' notice to employees working on the Leased Lines (and the national offices of their collective bargaining representatives). However, the Board has held: "The purpose of 49 CFR 1150.42(e) is to ensure that rail labor unions and employees who would be affected by the transfer of a line are given sufficient notice of the transaction before consummation." *Louisiana & Delta Railroad, Inc. – Lease Amendment and Operation Exemption – Union Pacific Railroad Company*, STB Finance Docket No. 36379, slip op. at 2 (served Mar. 4, 2020). *See also Acquisition of Leased Lines under 49 USC 10901 and 10902 – Advance Notice of Proposed Transactions* ("Advanced Notice of Proposed Transactions"), 2 STB 592 (1997). In adopting the notice requirement, the Board specifically recognized that "exceptional situations may occur necessitating acquirer requests for waiver of the 60 day notice provision ..." *Advanced Notice of Proposed Transactions, supra* at 601.

In this instance, CFNR should not be required to comply with the requirements of Section 1150.42(e) because there will be no changes for any employees working on the Leased Lines. CFNR already leases the rail facilities, and it or its predecessor have been the sole common carrier operator of the Leased Lines since 1993. The Amendment extends the term of the Original Lease and CFNR will continue to be the sole common carrier operator of the Leased Lines. No employees of the transferring carrier, UP or its predecessor, have worked on the line since 1993,

and there are no employees of UP who will be affected or have to make any career choices as a result of the sale. Posting notices on the Leased Lines would not provide notice to any UP employees since none work on the Leased Lines. Further, there will be no operational changes and no employees of CFNR will be affected.³ Thus, under the circumstances of this transaction, compliance with the notice requirements will not further the purposes of the rule and should be waived. Granting CFNR a waiver would be consistent with other circumstances in which the Board has granted waivers from the labor notice requirements when a common carrier has filed to extend a lease it was previously leasing and will remain as the common carrier operator on the line. *See North Carolina & Virginia Railroad Company, LLC, Chesapeake & Albemarle Railroad Division – Lease Amendment Exemption – Norfolk Southern Railway Company*, STB Docket No. FD 35564 (Sub-No. 1) (served December 23, 2011). *See also Louisiana Southern Railroad, LLC – Lease Exemption containing Interchange Commitment – The Kansas City Southern Railway Company*, STB Docket No. FD 35983 (served February 18, 2016).

CFNR asks that the waiver of the labor notice requirements be granted expeditiously so that this Notice of Exemption can become effective as scheduled 30 days after it is filed.

³ Notwithstanding that there will be no effect on employees of CFNR, CFNR is providing notice of this transaction to the national office of the union that represents employees working on the Leased Line by serving it with a copy of this Notice of Exemption.

Conclusion

Accordingly, CFNR requests that the Board issue a notice allowing the Lease to become effective 30 days from the filing of this Notice of Exemption.
