Dear Representative Sessions,

Thank you for your recent letter regarding the Railway Supply Institute's ("RSI") Petition to Reopen filed in Joint Petition for Exemption of Arbitration Rule from Application of 49 U.S.C. § 10706 and Motion to Dismiss, Docket No. EP 334 (Sub-No. 8A). We appreciate hearing your views about the potential impacts of Rule 25 of the Association of American Railroads' Code of Car Hire, known as the Arbitration Rule, on employees in your district, the supply of boxcars in the United States, and the overall health of the supply chain. We also appreciate hearing your views on the Arbitration Rule's significance for competition.

RSI filed its Petition to Reopen on March 25, 2024, and since then several interested parties have filed comments in the docket. The Board is reviewing the filings in this docket, and it expects to determine its next action expeditiously. Because the Petition to Reopen is pending, we cannot comment further; however, we thank you for sharing your views.

A copy of your letter and this reply have been placed in the docket on the Board's website. If you or your staff have any questions, please contact Ms. Janie Sheng, Director of the Board's Office of Public Assistance, Governmental Affairs, and Compliance, at 202-245-0238.

Sincerely,
