Ms. Webster

Thank you for getting back to me so quickly. My apologies for the email, our community would like Docket No FD 36833 to be rejected and withdrawn and will be working to do so in the continued future. If others reach out concerning this topic, again my apologies.

Mr. Marchiori,
Thank you for your interest in this proceeding. We are very early in the environmental review process and Lampwrights' petition in Docket No. FD 36833 has not yet been filed.

Your questions regarding this docket and the Board's procedures can best be addressed by contacting the Board's Rail Customer and Public Assistance (RCPA) service. They can be reached at **(866) 254-1792** (toll-free) or **202-245-0238**, or by emailing rcpa@stb.gov.

Thank you,

Dear Elizabeth Webster

I have a few general questions concerning Docket No. FD 36833.

- How long can FD 36833 stay open for review?
- How does this docket become closed or rejected by the board?
 - Can the docket or the filing be reopened after closure or rejection

My apologies our community needs to know this questions prior to our township meeting and our community meeting at our local church affected by this proposed rail grade.

If a teams call or phone call is a better option please let me know a good time and feel free to send a meeting invite.

Best Regards,
