Subject: FD: 36616, Savage Tooele Railroad Draft EA comments
Date: Monday, October 30, 2023 9:33:00 AM

Dear Councilperson Bird,

Thank you for providing comments on behalf of the Erda City Council regarding Draft EA prepared for FD: 36616, Savage Tooele Railroad in Tooele County, Utah. I am very interested in the Council's comment requesting our review of an alternative located east of Sheep Lane. My team is committed to providing real consideration to alternatives that both meet the project requirements and the needs of the local community.

To that end, would you please send me a rough sketch of that alternative route for our consideration via email? Please indicate where that line may connect to both the business park and the UP main line? If more convenient, I am happy to schedule a video conference call so that you can show me on an existing map from the environmental assessment.

Please feel free to call me to discuss further. I am available at your convenience this week through Wednesday, and next Thursday and Friday to discuss this potential alternative. My cell number is below.

My best regards,

Andrea E. Poole, PMP
