I am writing concerning Green Eagle Railroad and the impact for the downtown business district. I am Maria Angelica Rodriguez along with my husband Benjamin Rodriguez Jr. Own the Eagle Grocery + Market a family owned business since 1939. We also own other establishments in the central business district

We want to express our excitement and full support of this project. This will reroute and alleviate the congestion downtown where the trains divide the downtown in half 3 or more times a day. This causes loss of customers to the business district. This affects economic growth! This will be a plus to the downtown sector as it will increase car and pedestrian traffic to our area.
