Re: STB Docket No. FD 36652, Green Eagle Railroad, LLC – Construction and Operation
Exemption–In Maverick County, TX; Approval of the Environmental Contractor

Dear Ms. Gosselin:

In accordance with 49 CFR § 1105.10(d), Green Eagle Railroad, LLC ("GER") respectfully requests approval of the environmental consulting firm, VHB to work with the Office of Environmental Analysis ("OEA") to prepare the necessary environmental documentation associated with GER's proposed construction and operation of a new rail line ("the Line"). GER anticipates filing an individual Petition for Exemption under 49 U.S.C. § 10901 to permit it to construct and own the Line. VHB has been identified by OEA as an entity that is qualified to serve as a third-party consultant for railroad-related projects.

We expect VHB's work to be performed under the OEA's direction, supervision, and control pursuant to 49 CFR § 1105(d). Further, we expect VHB to undertake this project in accordance with the OEA's requirements for disclosure and pursuant to a memorandum of understanding to be entered among OEA, VHB, and GER.

We can confirm that VHB is not presently engaged in any other projects for GER.

Sincerely,

A handwritten signature in blue ink that reads 'Justin J. Marks'.

Justin J. Marks
Counsel to the Green Eagle Railroad, LLC
