BEFORE THE
SURFACE TRANSPORTATION BOARD

FINANCE DOCKET NO. 32760 (SUB-NO. 48)

BNSF RAILWAY COMPANY
—PETITION FOR ENFORCEMENT—
SERVICE TO GRANITE MOUNTAIN QUARRIES

CONSENT MOTION TO MODIFY PROCEDURAL SCHEDULE

Union Pacific Railroad Company (Union Pacific) respectfully requests that the Surface Transportation Board (STB or Board) issue an order modifying the procedural schedule in the captioned proceeding as follows:

Event	Modified Due Date
Union Pacific’s Written Responses and Objections to BNSF’s First Discovery Requests	August 11, 2025
Close of Discovery	September 18, 2025
Deadline for BNSF’s Amended Petition (if BNSF decide to file an amended petition)	October 17, 2025
Deadline for Union Pacific’s Reply (if BNSF files an amended petition)	November 17, 2025

Union Pacific is authorized to state that BNSF Railway Company (BNSF) supports this request.

On February 8, 2024, BNSF filed a petition asking the Board to issue an order stating that BNSF has the right to serve a facility known as Granite Mountain Quarries under the conditions imposed by the Board as part of the Union Pacific/Southern Pacific merger. On June 30, 2025, the Board denied BNSF’s petition. *See BNSF Ry.—Petition for Enforcement—Service to Granite Mountain Quarries*, FD 32760 (Sub-No. 48) (STB served June 30, 2025). However, the Board gave BNSF until August 29, 2025, to obtain discovery from Union Pacific and submit an amended

petition, with Union Pacific's reply due by September 29, 2025. *See id.*, slip op. at 8. BNSF served Union Pacific with discovery requests on July 11, 2025.

Good cause exists to modify the procedural schedule. The same day the Board served its decision in this proceeding, it served an order with identical discovery and filing deadlines in another proceeding involving the same parties. *See BNSF Ry.—Petition for Clarification—Service to Colorado Materials*, FD 32760 (Sub-No. 49) (STB served June 30, 2025). In addition, Union Pacific is presently responding to BNSF discovery in a third proceeding before the Board. *See BNSF Ry.—Petition for Enforcement—Interchange with Savage Tooele R.R.*, FD 32760 (Sub-No. 50) (STB served Apr. 28, 2025). Union Pacific therefore asks the Board to adopt the modified procedural schedule set forth above to allow Union Pacific sufficient time to complete discovery in all three proceedings and allow both Union Pacific and BNSF sufficient time to prepare substantive filings in these proceedings.

Respectfully submitted,

CHRISTINA B. CONLIN
JAMES B. BOLES
