This Notice of Non-Consummation of Acquisition of Control of Prospective Transaction ("Notice") is submitted in connection with the above-referenced proceeding to inform the Board as follows:

1. On May 16, 2025, Applicants submitted an application to the Board seeking approval for two transactions:

2. On June 13, 2025, the Board issued a Notice Tentatively Approving and Authorizing Finance Transaction, which became effective on July 29, 2025, following the close of the comment period without opposition.

3. Notwithstanding this grant of approval, Applicants submit this Notice to clarify that the Prospective Transaction has not been consummated and is not expected to proceed at this time.
4. For clarity, nothing in this Notice is intended to affect Applicant's request for approval of the ATF Transactions and the Board's subsequent grant of approval on July 29, 2025.
