

SURFACE TRANSPORTATION BOARD
Washington, DC 20423

Office of Environmental Analysis

August 6, 2025

The Honorable Tony Gonzales
United States House of Representatives
2244 Rayburn House Office Building
Washington DC, 20515

**RE: Docket No. FD 36652, Green Eagle Railroad – Construction and Operation
Exemption – Line of Railroad in Maverick County, Texas; Availability of
Final Environmental Impact Statement**

Dear Congressman Gonzales:

The Surface Transportation Board's (Board) Office of Environmental Analysis (OEA) is pleased to announce that the Final Environmental Impact Statement (EIS) for Green Eagle Railroad's (GER) proposed construction and operation of a 1.3-mile rail line in Eagle Pass and Maverick County, Texas, is available.

The proposed rail line is part of the larger Puerto Verde Global Trade Bridge project that also includes a new commercial motor vehicle (CMV) crossing between Piedras Negras, Coahuila, Mexico, and Eagle Pass, Texas. The EIS analyzes the environmental impacts of both the proposed rail line, which requires a license from the Board, and the CMV crossing because they would be built as a single port of entry for freight rail and CMV traffic between Mexico and the United States.

The Final EIS addresses the substantive public and agency comments received on the Draft EIS. It can be viewed or downloaded on the Board-sponsored project website at www.greeneaglerreis.com and on the Board's website at www.stb.gov under Docket No. FD 36652.

In reaching its decision on whether to grant GER's request for authority to construct and operate the proposed line, the Board will consider the Draft EIS, the Final EIS, all public comments received, and the environmental mitigations recommended by OEA, as well as the record on the transportation merits.

If you have any questions or would like to arrange a call, please contact me at 202-245-0300 or the Board's Office of Public Assistance, Governmental Affairs, and Compliance at 202-245-0238.

Sincerely,

**RE: Docket No. FD 36652, Green Eagle Railroad – Construction and Operation
Exemption – Line of Railroad in Maverick County, Texas; Availability of
Final Environmental Impact Statement**

Dear Governor Abbott:

The Surface Transportation Board's (Board) Office of Environmental Analysis (OEA) is pleased to announce that the Final Environmental Impact Statement (EIS) for Green Eagle Railroad's (GER) proposed construction and operation of a 1.3-mile rail line in Eagle Pass and Maverick County, Texas, is available.

The proposed rail line is part of the larger Puerto Verde Global Trade Bridge project that also includes a new commercial motor vehicle (CMV) crossing between Piedras Negras, Coahuila, Mexico, and Eagle Pass, Texas. The EIS analyzes the environmental impacts of both the proposed rail line, which requires a license from the Board, and the CMV crossing because they would be built as a single port of entry for freight rail and CMV traffic between Mexico and the United States.

The Final EIS addresses the substantive public and agency comments received on the Draft EIS. It can be viewed or downloaded on the Board-sponsored project website at www.greeneaglerreis.com and on the Board's website at www.stb.gov under Docket No. FD 36652.

In reaching its decision on whether to grant GER's request for authority to construct and operate the proposed line, the Board will consider the Draft EIS, the Final EIS, all public comments received, and the environmental mitigations recommended by OEA, as well as the record on the transportation merits.

If you have any questions or would like to arrange a call, please contact me at 202-245-0300 or the Board's Office of Public Assistance, Governmental Affairs, and Compliance at 202-245-0238.

Sincerely,
