Re: *Kansas & Oklahoma Railroad, LLC – Lease and Operation Exemption with Interchange Commitment – Union Pacific Railroad Company, FD 36849*

To the Chief of Case Administration:

Kansas & Oklahoma Railroad, LLC (“K&O”) hereby certifies – in keeping with Ordering Paragraph 6 of the Director’s Order served in the above-referenced proceeding on August 8, 2025 (the “Order”)¹ – that it has, via email, served the Order upon all railroad customers that currently use the subject Lines (and that have made use of railroad service on the Lines in the past two years), Union Pacific Railroad Company, Colorado Pacific Railroad LLC, and BNSF Railway Company.

Respectfully submitted,

/s/ *R. A. Wimbish*

Robert A. Wimbish
Attorney for Kansas & Oklahoma Railroad, LLC

cc: All parties of record

¹ The undersigned counsel received a service copy of the August 8th Order from the Board at 1:34 p.m. Eastern Time on August 8, 2025. Ordering Paragraph 6 states that K&O shall serve various interested parties with a copy of the Order “[b]y August 8, 2025.” K&O believes that the order’s requirement that K&O serve parties with a copy of the order within hours of its issuance may have been in error. K&O was engaged that afternoon in a meeting with Weskan Grain LLC to resolve discovery issues, and resolved to comply fully with Ordering Paragraph 6 today.
