Subject: Support for Union Pacific and Norfolk Southern Merger, Docket Number: FD 36873

Dear Chairman Fuchs:

As a community stakeholder in Shreveport/Caddo Parish, reliable rail service is essential for our local economy, businesses and residents. The proposed Union Pacific–Norfolk Southern merger offers an opportunity to strengthen these connections and deliver long-term benefits.

The merger promises faster, more dependable service, reduced congestion and expanded market reach for our businesses. It also means continued investment in rail infrastructure – enhancing safety, creating jobs and ensuring our community remains competitive in a growing economy.

On behalf of the YMCA of Northwest Louisiana, I respectfully ask the Surface Transportation Board to approve this merger so we can take advantage of the efficiencies, investments and opportunities it will bring - connecting our communities regionally, nationally and across the globe.

Sincerely,
Jeffrey Goodman
