Dear Ms. Gosselin, Ms. Webster and Ms. Stevens:

I am writing about my letter of September 12, 2025 to the three of you and numerous ccs that has not yet been posted on the Environmental Comments page for FD-36833.

I took notice today that a recent letter from the Methodist Church up the road had been posted expressing its opposition to the proposed rail line, yet my letter of September 12th expressing the drastic impact the project would have on the First Apostles' Doctrine Church and the Just for Jesus Challenge Homeless Outreach Ministry has not been published.

I am re-attaching the letter of September 12th, and I am respectfully requesting that it be posted as you posted the letter from the Methodist Church.

If for some reason, your intention is to not publish it, I would respectfully ask for an explanation as to why not.

Sincerely,

Bishop Jack Wisor
