Re: Docket No. FD 36790, *Norfolk Southern Railway Company—Trackage Rights—CSX Transportation, Inc.*

Dear Chief of Case Administration:

Pursuant to ordering paragraph 3 in Docket No. FD 36790 (Sub-No. 1), Norfolk Southern Railway Company—Trackage Rights Exemption—CSX Transportation, Inc. (served April 30, 2025), Norfolk Southern Railway Company (“NSR”) notifies the Surface Transportation Board that effective October 1, 2025 at 12:01 am, CSX Transportation, Inc. (“CSXT”) will have (1) notified NSR that CSXT has completed the Howard Street Tunnel (the “HST”) Project; (2) has cleared the HST for double-stack rail passage; and (3) has resumed service through the HST. As a result, effective October 1, 2025, NSR is notifying the Board that NSR will have terminated its overhead trackage rights over the approximately 95-mile CSXT rail line between Falls, Pa., at or near CP River, CSXT milepost QA 2, and Baltimore, Md., including all necessary trackage within CSXT’s Bayview Yard, and between the western end of CSXT’s Bayview Yard (MP BAL 0.0 ±) and a connection at MP BAL 0.5 ±.

Sincerely,

//s// William A. Mullins
