Re: Reciprocal Switching for Inadequate Service
STB Docket No. EP 711 (Sub-No. 2)
Week 46, 2025

Dear Ms. Brown:

Pursuant to the orders of the Surface Transportation Board in the above-captioned proceeding served April 30 and August 23, 2024, the service data report of the U.S. rail carrier affiliates of Canadian Pacific Kansas City Limited (CPKC) for the week specified above is submitted herewith. As explained in footnote 1 of the cover letter to CPKC's September 25, 2024, filing in this docket, CPKC is separately filing a complete version of this service data report under seal. CPKC requests that the Board maintain the contact information in that report as confidential, for the Board's use only.

CPKC would add that, for this week's filing, there was a last-minute glitch in assembling the data. CPKC apologizes for filing with the Board on the day after the filing was expected.

If there are any questions concerning this submission, please contact the undersigned.

Sincerely,

Stephen N. Freeland
