You don't often get email from lbilyeu@choctawnation.com. [Learn why this is important](#)

Mr. Assenza,

The Choctaw Nation of Oklahoma thanks the Surface Transportation Board for the correspondence regarding the above referenced project. Plaquemines Parish, LA lies in our area of historic interest.

To continue our review of this project, could you please provide GIS shapefiles of the APE? While it may be similar to the LA Gateway Rail Extension project, we will need the location of this specific project.

Also, have any cultural resources surveys been conducted previously or for this project specifically? If so, please provide a copy of the report.

If you have any questions, please contact me.

Yakoke (thank you),

Choctaw Nation of Oklahoma
