*Norfolk Southern Corp., et al.***

Dear Chief of Case Administration:

At the request of Surface Transportation Board staff, Union Pacific Corporation and Union Pacific Railway Company ("Union Pacific") provide the following additional information:

- **Updated Traffic Tapes.** Union Pacific is providing updated 2019–2024 traffic tapes with an updated data dictionary. Where information described in the appendix to Decision No. 2 is not provided, it is because it is not kept in the normal course of business. The traffic tapes are being submitted as Highly Confidential, as that term is defined in the Protective Order served in this docket on August 5, 2025. The data dictionary is being submitted as Confidential pursuant to the Protective Order.
- **Geospatial Information System (GIS).** Union Pacific is providing a data dictionary for the GIS shape files that were previously submitted to the Board. The data dictionary is being submitted as Confidential pursuant to the Protective Order.
- **Interchange Commitments.** Union Pacific is providing an updated list of agreements that contain interchange commitments. Unless otherwise noted, each of these agreements was previously disclosed to the Board.

Due to the size of these materials, the requested information is being submitted to the Board via Covington's Kiteworks FTP site.
