BEFORE THE
SURFACE TRANSPORTATION BOARD

Docket No. FD 35743

APPLICATION OF THE NATIONAL RAILROAD PASSENGER CORPORATION UNDER
49 U.S.C. § 24308(a) – CANADIAN NATIONAL RAILWAY COMPANY

**JOINT MOTION FOR EXTENSION
OF PROCEDURAL SCHEDULE**

National Railroad Passenger Corporation (“Amtrak”) and Illinois Central Railroad Company and Grand Trunk Western Railroad Company (together, “CN”), jointly and respectfully move to extend the due date for reply submission in this proceeding to January 30, 2026.¹

Amtrak and CN continue to remain actively engaged in discussions aimed at settling this complex and long-standing case, including agreement on revisions to the current Operating Agreement governing Amtrak’s use of CN’s facilities and services. Given the number and complexity of issues, it is important as the parties work to reach agreement that they concentrate their resources and efforts on their ongoing negotiations rather than the submission currently due December 19, 2025.

The modest extension sought here would not significantly delay the Board’s consideration of this case or its issuance of a final decision. Indeed, our hope is that it will accelerate the conclusion of this case as well as conserve the Board’s and the parties’ resources.

¹ Pursuant to the stamp order served on November 19, 2025, the current deadline for filing these replies is December 19, 2025.

WHEREFORE, Amtrak and CN jointly request that the Board extend the December 19, 2025 deadline to January 30, 2026.

Respectfully submitted,

/s/ Jerry A. Cuomo
