Dear President Harvier:

As the Surface Transportation Board's (Board) Office of Environmental Analysis (OEA) stated in previous Section 106 consultation conducted under the National Historic Preservation Act, on June 30, 2022, the Union Pacific Railroad Company (UP) filed a petition with the Board requesting authority to construct and operate approximately six miles of new rail line in Maricopa County, Arizona (the proposed Pecos Industrial Rail Access and Train Extension [PIRATE] rail line).

We are attaching the Fifth Revised Draft Memorandum of Agreement (MOA) for your review and comment. A Comment Matrix is provided for your use. OEA requests your review of the attached Fifth Revised Draft MOA by December 30, 2025. If you have questions, or require more information, please do not hesitate to contact Alan Tabachnick, STB's Federal Preservation Officer, at Alan.Tabachnick@stb.gov. Thank you for your continued participation in the Section 106 process.

Regards,
