

**AMENDMENT TO
MEMORANDUM OF UNDERSTANDING
AMONG
SURFACE TRANSPORTATION BOARD, CANADIAN PACIFIC RAILWAY LIMITED¹
and VANASSE HANGEN BRUSTLIN, INC.**

RE: ENVIRONMENTAL ANALYSIS AND PREPARATION OF APPROPRIATE
ENVIRONMENTAL DOCUMENTS RELATING TO CANADIAN PAIFIC RAILWAY
LIMITED et al. - CONTROL - KANSAS CITY SOUTHERN et al.

This Amendment to the June 22, 2021, Memorandum of Understanding (“MOU”) is made, entered into and dated as of September 19, 2025, by and between the Surface Transportation Board’s (“Board”) Office of Environmental Analysis (“OEA”), Canadian Pacific Kansas City Limited (“Applicant”), and Vanasse Hangen Brustlin, Inc. (“Contractor” and together with OEA and Applicant “the parties”). The parties desire to amend the MOU to ensure oversight support until the end of the Board required seven-year oversight period. Therefore, this Amendment shall amend the MOU as follows:

1. Section IV.N. of the MOU shall be amended to read, “As needed, the Contractor will provide technical expertise and administrative support to OEA during preparation of the Board’s decision and in addressing any environmental issues arising in the Board’s consideration of this proceeding. The Contractor will also provide technical expertise and administrative support to OEA as needed during any Board imposed oversight period. In the event of any appeal from a Board decision in this proceeding, the parties hereto shall at that time determine the need for and terms of the Contractor’s services in connection with judicial review of that decision.”

Except as so expressly amended, the MOU shall remain the same and in full force and effect.

¹ Since the Board’s merger approval, Canadian Pacific Railway Limited no longer exists as a legal entity and is now recognized as Canadian Pacific Kansas City Limited. Therefore, all references to Canadian Pacific Railway Limited or the Applicant, except for caption headings, will be changed to Canadian Pacific Kansas City Limited.

IN WITNESS WHEREOF, the parties have each approved and executed this Amendment on the dates set forth below.
