Re: Docket No. FD 36873, *Union Pacific Corp., et al. - Control - Norfolk Southern Corp., et al.*

Dear Chief of Case Administration:

Pursuant to the Board's Decision No. 8 in the referenced matter, Union Pacific Corporation, Union Pacific Railroad Company, Norfolk Southern Corporation, and Norfolk Southern Railway Company (collectively, Applicants), are filing this letter and accompanying materials relating to additional workpapers that Applicants are making available to the Board and parties in this proceeding.

The workpapers accompanying this letter involve materials supporting four parts of the Application filed December 19, 2025: the Verified Statement of Dr. Elizabeth M. Bailey, the Joint Verified Statement of David Hunt and Matthew Schabas, the Joint Verified Statement of Eric Gehringer and John F. Orr, and the Joint Verified Statement of Kenny Rocker and Claude E. Elkins. As is indicated on the accompanying table, all the files contained in this submission are new files, as opposed to replacement files. Most of the files are intermediate datasets or similar files that Applicants are providing as a courtesy to the requesting parties, but some are files that were inadvertently omitted from Applicants' original workpaper upload.

Consistent with the approach described in Applicants' January 5, 2026, submission of additional workpapers (UP-18/NS-17), Applicants have uploaded to the SFTP site four separate zip files containing as much related material as practicable: one containing all Dr. Bailey's workpapers, one containing all Hunt/Schabas workpapers, one containing all Rocker/Elkins Workpapers, and one containing all Gehringer/Orr workpapers.

The files have been uploaded to the Kiteworks site that Applicants used for the original workpaper submission and are located in the folder "Updated Workpaper Files (1.15.2026)." Applicants remain willing to confer with the Board to discuss alternative mechanisms for providing updates to the workpaper collection.
