ORDER GRANTING JOINT CONSENT MOTION FOR AN EXTENSION OF TIME
REGARDING ALJ'S ORDER ON SUBPOENA DUCES TECUM

Decided: January 30, 2026

This discovery matter is before the undersigned pursuant to a ruling by the Surface Transportation Board. See Decision (Dec. 12, 2025).

Following a Status Conference on pending discovery issues, on January 16, 2026, the undersigned issued an order memorializing the rulings made at the Status Conference. See Decision (Jan. 16, 2026). On January 29, 2026, Lake Providence Port Commission, North Louisiana & Arkansas Railroad, All Non-Party Witnesses and Delta Southern Railroad, Inc. Filed a Joint Consent Motion for an Extension of Time (“Joint Motion”).

The Joint Motion seeks an extension of two deadlines contained in the January 16, 2026, order. The Joint Motion is made by the affected parties and non-parties and is uncontested. A procedural schedule has not been entered by the Board. Moreover, the requested extension is very brief and will not impact any other deadlines. Thus, the two deadlines are extended as jointly requested.

It is ordered:

1. The Joint Motion is Granted.
2. DSRR must confer with counsel for LPPC and the attorney for the witness regarding proposed subpoena duces tecum in an attempt to resolve any disputed issues **on or before Friday, February 6, 2026.**
3. DSRR must file its requests for issuance of subpoenas duces tecum (preferably undisputed) regarding these witnesses **on or before February 9, 2026.**
4. This decision is effective on the date of service.

By the Board, Jenifer J. Soulikias, Administrative Law Judge.
