NOTICE OF INTENT TO PARTICIPATE

The Massachusetts Department of Transportation (“MassDOT”) and the Massachusetts Bay Transportation Authority (“MBTA”) hereby give notice of their respective intent to participate in the above-referenced docket and any related sub-dockets as their interests may appear.

This notice is submitted jointly on behalf of each entity. MassDOT is the executive department of the Commonwealth of Massachusetts responsible for comprehensive transportation policy, planning, and infrastructure across the state. MBTA is a body politic and corporate, and a political subdivision of the Commonwealth, that operates as a division within the MassDOT organization. In their respective and interrelated capacities, MassDOT serves as the overarching administrative agency and significant rail property owner, while the MBTA serves as both rail property owner and operational arm responsible for the day-to-day provision and management of commuter rail and public transit services.

MassDOT and MBTA request that the undersigned primary legal counsel and the following designated in-house officials be placed on the service list for this proceeding.

Respectfully submitted,
