BEFORE THE
SURFACE TRANSPORTATION BOARD

FD 36849 (Sub-No. 1)

KANSAS & OKLAHOMA RAILROAD, LLC
– LEASE AND OPERATION EXEMPTION WITH
INTERCHANGE COMMITMENT –
UNION PACIFIC RAILROAD COMPANY

**PETITION FOR EXEMPTION
PURSUANT TO 49 U.S.C. § 10502(a)**

MOTION FOR PROTECTIVE ORDER

Pursuant to 49 C.F.R. § 1104.14(b), Kansas & Oklahoma Railroad, LLC (“K&O”) files this Motion for Protective Order (the “Motion”) in the form set forth in Appendix A hereto. K&O respectfully requests that the Surface Transportation Board (the “Board”) enter the proposed Protective Order to govern the submission and review of certain highly confidential, commercially sensitive data included in K&O’s concurrently filed petition for exemption (the “Petition”).

K&O has concurrently petitioned the Board for an exemption under 49 U.S.C. § 10502 from the prior approval requirements of 49 U.S.C. § 11323 to lease and operate certain rail lines. That Petition includes mandatory disclosures regarding an interchange commitment pursuant to 49 C.F.R. § 1121.3(d). While the lease agreements containing the terms of that commitment and other, related data are automatically afforded confidential treatment pursuant to 49 C.F.R. §

1121.3(d)(2), K&O's Petition also relies upon supplementary, highly sensitive commercial data that is not strictly enumerated under that subsection, specifically granular, shipper-specific carload volumes, historical third-party interchange metrics, and detailed capital expenditure figures. Because this supplementary data falls outside the automatic protective scope of § 1121.3(d)(2), K&O requires the entry of this Protective Order to submit the unredacted Petition under seal. Accordingly, K&O has filed a "Public Version" of the Petition that redacts this highly sensitive information, and is separately filing under seal a "Highly Confidential Version" of the Petition.

The Highly Confidential Version of the Petition contains proprietary commercial and financial information that constitutes trade secrets under FOIA Exemption 4 (5 U.S.C. § 552(b)(4)). Public disclosure of this specific data would cause substantial competitive harm to K&O and its customers by revealing proprietary operational metrics, customer volumes, and investment strategies to competitors and third parties. Moreover, public disclosure of this specific unredacted information is not necessary for the disposition of the Petition.

Accompanying this Motion are a draft Protective Order and Undertakings, which are similar to the protective orders issued by the Board in prior adjudications. *See Motion for Protective Order by the Cincinnati Railway Company*, STB Finance Docket No. 36491 (STB served Mar. 30, 2021).

K&O respectfully requests that the Board grant its Motion for a Protective Order.

Respectfully submitted,

By: /s/ *R. A. Wimbish*

APPENDIX A

PROTECTIVE ORDER

1. For purposes of this Protective Order:

(a) “Confidential Documents” means documents and other tangible materials containing or reflecting Confidential Information.

(b) “Confidential Information” means traffic data (including but not limited to waybills, abstracts, study movement sheets, and any documents or computer tapes containing data derived from waybills, abstracts, study movement sheets, or other data bases, and cost work papers); the identification of shippers and receivers in conjunction with shipper-specific or other traffic data; the confidential terms of contracts with shippers, carriers and the owner of the subject rail line; confidential financial and cost data; divisions of rates, trackage rights compensation levels and other compensation between carriers; and other confidential or proprietary business or personal information.

(c) “Designated Material” means any documents designated or stamped as “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL” in accordance with paragraph 2 or 3 of this Protective Order and any Confidential Information contained in such materials.

(d) “Proceedings” means those before the Surface Transportation Board (“Board”) concerning the transaction in STB Docket No. FD 36849 (Sub-No. 1), and any related proceedings before the Board, and any judicial review proceedings arising from STB Docket No. FD 36849 (Sub-No. 1) or from any related proceedings before the Board.

2. If any party to these Proceedings determines that any part of a document it submits, discovery request it propounds, discovery response it produces, transcript of a deposition or hearing in which it participates, or of a pleading or other paper to be submitted, filed, or served in these Proceedings contains Confidential Information or consists of Confidential Documents, then that party may designate and stamp such Confidential Information and Confidential Documents as “CONFIDENTIAL.” Any information or documents designated or stamped as “CONFIDENTIAL” shall be handled as provided for hereinafter.

3. If any party to these Proceedings determines that any part of a document it submits, discovery request it propounds, a discovery response it produces, transcript of a deposition or hearing in which it participates, pleading or other paper to be submitted, filed, or served in these Proceedings contains shipper-specific rate or cost

data; trackage rights compensation levels or other compensation between carriers; or other competitively sensitive or proprietary information, then that party may designate and stamp such Confidential Information as “HIGHLY CONFIDENTIAL.” Any information or documents so designated or stamped as “HIGHLY CONFIDENTIAL” shall be handled as provided hereinafter.

4. Information and documents designated or stamped as “CONFIDENTIAL” may not be disclosed in any way, directly or indirectly, or to any person or entity except to an employee, counsel, consultant, or agent of a party to these Proceedings, or an employee of such counsel, consultant, or agent, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit A to this Protective Order.

5. Information and documents designated or stamped as “HIGHLY CONFIDENTIAL” may not be disclosed in any way, directly or indirectly, to any employee of a party to these Proceedings, or to any other person or entity except to an outside counsel or outside consultant to a party to these proceedings, or to an employee of such outside counsel or outside consultant, who, before receiving access to such information or documents, has been given and has read a copy of this Protective Order and has agreed to be bound by its terms by signing a confidentiality undertaking substantially in the form set forth at Exhibit B to this Protective Order.

6. All parties must file simultaneously a public version of any Highly Confidential or Confidential submission filed with the Board whether the submission is designated a Highly Confidential Version or Confidential Version. When filing a Highly Confidential Version, the filing party does not need to file a Confidential Version with the Board, but must make available (simultaneously with the party’s submission to the Board of its Highly Confidential Version) a Confidential Version reviewable by any other party’s in-house counsel. The Confidential Version may be served on other parties in electronic format only. In lieu of preparing a Confidential Version, the filing party may (simultaneously with the party’s submission to the Board of its Highly Confidential Version) make available to outside counsel for any other party a list of all “highly confidential” information that must be redacted from its Highly Confidential Version prior to review by in-house personnel, and outside counsel for any other party must then redact that material from the Highly Confidential Version before permitting any clients to review the submission.

7. Any party to these Proceedings may challenge the designation by any other party of information or documents as “CONFIDENTIAL” or as “HIGHLY CONFIDENTIAL” by filing a motion with the Board or with an administrative law judge or other officer to whom authority has been lawfully delegated by the Board to adjudicate such challenges.

8. Designated Material may not be used for any purposes, including without limitation any business, commercial or competitive purposes, other than the preparation and presentation of evidence and argument in STB Docket No. FD 36849 (Sub-No. 1), any related proceedings before the Board, and/or any judicial review proceedings in connection with STB Docket No. FD 36849 (Sub-No. 1) and/or with any related proceedings.

9. Any party who receives Designated Material in discovery shall destroy such materials and any notes or documents reflecting such materials (other than file copies of pleadings or other documents filed with the Board and retained by outside counsel for a party to these Proceedings) at the earlier of: (1) such time as the party receiving the materials withdraws from these Proceedings, or (2) the completion of these Proceedings, including any petitions for reconsideration, appeals or remands.

10. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to the Board, unless the pleading or other document is submitted under seal, in a package clearly marked on the outside as "Confidential Materials Subject to Protective Order." See 49 CFR 1104.14. All pleadings and other documents so submitted shall be kept confidential by the Board and shall not be placed in the public docket in these Proceedings except by order of the Board or of an administrative law judge or other officer in the exercise of authority lawfully delegated by the Board.

11. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to any forum other than this Board in these Proceedings unless: (1) the pleading or other document is submitted under seal in accordance with a protective order that requires the pleading or other document to be kept confidential by that tribunal and not be placed in the public docket in the proceeding, or (2) the pleading or other document is submitted in a sealed package clearly marked, "Confidential Materials Subject to Request for Protective Order," and is accompanied by a motion to that tribunal requesting issuance of a protective order that would require the pleading or other document be kept confidential and not be placed in the public docket in the proceeding, and requesting that if the motion for protective order is not issued by that tribunal, the pleading or other document be returned to the filing party.

12. No party may present or otherwise use any Designated Material at a Board hearing in these Proceedings, unless that party has previously submitted, under seal, all proposed exhibits and other documents containing or reflecting such Designated Material to the Board, to an administrative law judge or to another officer to whom relevant authority has been lawfully delegated by the Board, and has accompanied such submission with a written request that the Board, administrative law judge or other officer: (a) restrict attendance at the hearing during any discussion of such Designated Material, and (b) restrict access to any portion of the record or briefs

reflecting discussion of such Designated Material in accordance with this Protective Order.

13. If any party intends to use any Designated Material in the course of any deposition in these Proceedings, that party shall so advise counsel for the party producing the Designated Material, counsel for the deponent, and all other counsel attending the deposition. Attendance at any portion of the deposition at which any Designated Material is used or discussed shall be restricted to persons who may review that material under the terms of this Protective Order. All portions of deposition transcripts or exhibits that consist of, refer to, or otherwise disclose Designated Material shall be filed under seal and be otherwise handled as provided in paragraph 10 of this Protective Order.

14. To the extent that materials reflecting Confidential Information are produced by a party in these Proceedings, and are held and/or used by the receiving person in compliance with this Protective Order, such production, disclosure, holding, and use of the materials and of the data that the materials contain are deemed essential for the disposition of this and any related proceedings and will not be deemed a violation of 49 U.S.C. 11904 or of any other relevant provision of the ICC Termination Act of 1995.

15. All parties must comply with all of the provisions of this Protective Order unless the Board or an administrative law judge or other officer exercising authority lawfully delegated by the Board determines that good cause has been shown warranting suspension of any of the provisions herein.

16. Nothing in this Protective Order restricts the right of any party to disclose voluntarily any Confidential Information originated by that party, or to disclose voluntarily any Confidential Documents originated by that party, if such Confidential Information or Confidential Documents do not contain or reflect any Confidential Information originated by any other party.
