Re: FD 36447, Lake Providence Port Commission –
Feeder Line Application – Line of Delta Southern
Railroad, Inc. Located in East Carroll and Madison
Parishes, Louisiana

Dear Chief of Case Administration:

In its decision herein served November 20, 2023, the Board not only denied the motion to reject filed by Delta Southern Railroad Inc. (“Delta Southern Railroad”), but the Board also directed (at 13) the Applicant Lake Providence Port Commission (“LPPC”):

to serve on each of the entities specified under 49 C.F.R. § 1152.1(a)¹: ... (3) copies of all LPPC filings in this docket that post-date the amended application.

As the record reflects, since that date, LPPC has fully complied with the Board’s directive when filing any pleading herein. As a result, the undersigned must object to DSRR’s counsel mocking his compliance by inserting the disparaging comment that:

We notice that Mr. Streeter has copied many folks not on the service list for FD 36447. Apologies for clogging your in box if you are uninterested in these filings; if you are interested, we

¹ I note that the reference in the November 20, 2023 Decision quoted above appears to be a typographical error, and that the regulation with which the Board intended the undersigned counsel to comply actually is 49 C.F.R. § 1151.2(a), which is the service requirement applicable to feeder line proceedings.

encourage you to review the entire docket and not just the documents that have been selectively provided to you.

I will also note that, with the exception of one person whose attorneys requested me to serve them rather than their client, no one I have served has ever voiced any objection to such service. Should the Board direct me, as counsel for LPPC, to no longer serve the entities specified under 49 C.F.R. § 1151.2.(a), which, as herein pertinent, include (2) all rail patrons who originated and/or received traffic during the 12-month period preceding the month in which the application [was] filed; (3) designated state agencies in the State where the property is located; and (4) county governments where the line is located, I will of course comply.

To clarify why I have been serving true copies of pleadings filed at the Board on behalf of LPPC since November 20, 2023 on those listed above, a copy of this letter will be sent to all of the entities that the Board has explicitly required me to serve. Of course, because the Board did require me to do so, I have not forwarded copies of filings filed by other than LPPC.

If you have any questions, please give me a call.

Respectfully submitted,

Richard H. Streeter

Attorney for Applicant Lake Providence Port
Commission
