**Re: Docket No. FD 36873, *Union Pacific Corp., et al. -
Control - Norfolk Southern Corp., et al.***

Dear Chief of Case Administration:

Pursuant to Decision No. 8 in the referenced matter, Applicants are filing this letter and the accompanying table relating to replacement workpapers that they are making available to the Board and parties in this proceeding.

As reflected in the accompanying table, the replacement workpapers involve materials in the following workpaper collections: Hunt Workpapers, Gehringer-Orr Workpapers (OW Files), and Bailey Workpapers (Vol. 2). To expedite delivery of the replacement workpapers, Applicants uploaded zip files containing updated versions of those workpaper collections to their Kiteworks FTP site after business hours on Friday, May 8. The files are located in the folder titled "Updated Files (5.8.2026)" in Volume 2.

Applicants have also become aware that certain files that were correctly designated as Highly Confidential in the Gehringer-Orr Workpapers (OW Files) Index were inadvertently placed within a database that was designated as Confidential in the initial workpaper submission. The files are:

- HC Operating Plan Database View: [opal_out].[t1_vs_t2_block_stranded_status]
- HC Operating Plan Database View: [stg_ns].[traffic_gross_up_multiplier]
- HC Operating Plan Database Table: [stg_opal].[Rubber_move_pairs]
- HC Operating Plan Database Table: [stg_pgs].[UP_NS_Merged_Data_v4_all]
- HC Operating Plan Database Table: [stg_opal].[NS_gross_up_factor]
- HC Operating Plan Database Table: [stg_opal].[UP_uncompressed_interline]
- HC Operating Plan Database Table: [src_ns].[mrs_bulk_train_remaps_20250922]

As indicated in the index, these files should be treated as Highly Confidential. They are in the correct database in the updated workpaper collections. If any party has shared these files with individuals who have not executed the Protective Order's undertaking for access to Highly Confidential materials, Applicants ask that these individuals be instructed to destroy the materials.

Please contact me with any questions.

Sincerely,

/s/ Michael L. Rosenthal
