CALSTA'S NOTICE OF INTENT TO PARTICIPATE

The California State Transportation Agency (CalSTA) respectfully submits its Notice of Intent to Participate in the above-referenced proceeding and any related sub-proceedings before the Surface Transportation Board, and its interests may appear.

CalSTA has a significant interest in this proceeding given California's extensive freight and passenger rail network and its reliance on rail infrastructure to meet the State's transportation, economic, and environmental goals. CalSTA is the umbrella agency over several transportation departments, authorities, and commissions including the California High-Speed Rail Authority (CHRSA) and the California Department of Transportation (Caltrans). CalSTA intends to submit comments on behalf of itself and its entities addressing the potential impacts of this merger on rail service, capacity, and the public interest in California. CalSTA requests that the below individual be placed on the service list as representatives for CalSTA.

Respectfully submitted,
