**MOTION FOR PROTECTIVE ORDER OF  
TERRAMONT INFRASTRUCTURE PARTNERS LLC**

Pursuant to 49 C.F.R. § 1104.14(b), Terramont Infrastructure Partners LLC (“Terramont”) hereby requests that the Board issue a protective order allowing it to file under seal a Letter of Intent (“LOI”) dated April 1, 2026, signed by Terramont and Hainesport Transportation Group, LLC (“HTG”), providing, *inter alia*, for an equity recapitalization of HTG, under which Terramont will acquire all existing outstanding ownership interests in HTG, resulting in Terramont holding a controlling common equity interest (with certain individual founders of HTG holding the remaining minority equity interest), and, in turn, acquiring indirect control of Hainesport Industrial Railroad, LLC (“HIRR”), and Hainesport Secondary Railroad, LLC (“HSR” and together with HIRR, the “Hainesport Railroads”).

Terramont has filed a verified notice of exemption under 49 C.F.R. § 1180.2(d)(2) to permit it to acquire control of HTG. Terramont has concurrently filed, as Exhibit B to the notice, a highly confidential unredacted copy of the LOI under seal subject to this request for a protective order.

Much of the information contained in the LOI contains proprietary commercial and financial information that constitutes trade secrets under FOIA Exemption 4 (5 U.S.C. § 552(b)(4)). Public disclosure of this specific transactional data would cause substantial competitive harm to Terramont, HTG, and their affiliates by prematurely revealing proprietary investment strategies, valuation metrics, and sensitive commercial terms to competitors and third parties. Moreover, public disclosure of this unredacted information is not necessary for the disposition of the notice of exemption. The proposed protective order is consistent with other protective orders previously issued by the Board in similar proceedings. Accordingly, Terramont, pursuant to 49 C.F.R. § 1104.14(b), respectfully requests that the Board enter the protective order (in the form set forth in the appendix hereto) to govern the submission and review of this highly confidential, commercially sensitive data.

Respectfully submitted,

By: /s/ *Valerie O. Quinn*

7. Designated Material may not be used for any purposes, including without limitation any business, commercial or competitive purposes, other than the preparation and presentation of evidence and argument in the notice of exemption filed in FD 36941 and any related proceedings before the Surface Transportation Board, and/or any judicial review proceedings in connection with FD 36941 and/or with any related proceedings.
8. Any party who receives Designated Material in discovery shall destroy such materials and any notes or documents reflecting such materials (other than file copies of pleadings or other documents filed with the Board and retained by outside counsel for a party to these Proceedings) at the earlier of: (1) such time as the party receiving the materials withdraws from these Proceedings, or (2) the completion of these Proceedings including any petitions for reconsideration, appeals, or remands.
9. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to the Board, unless the pleading or other document is submitted under seal, in a package clearly marked on the outside as “Confidential Materials Subject to Protective Order.” *See* 49 C.F.R. § 1104.14. All pleadings and other documents so submitted shall be kept confidential by the Board and shall not be placed in the public docket in these Proceedings except by order of the Board.
10. No party may include Designated Material in any pleading, brief, discovery request or response, or other document submitted to any forum other than this Board in these Proceedings unless (1) the pleading or other document is submitted under seal in accordance with a protective order that requires the pleading or other document to be kept confidential by that tribunal and not be placed in the public docket in the proceeding, or (2) the pleading or other document is submitted in a sealed package clearly marked, “Confidential Materials Subject to Request for Protective Order,” and is accompanied by a motion to that tribunal requesting issuance of a protective order that would require the pleading or other document be kept confidential and not be placed in the public docket in the proceeding, and requesting that if the motion for protective order is not issued by that tribunal, the pleading or other document be returned to the filing party.

11. No party may present or otherwise use any Designated Material at a Board hearing in these Proceedings, unless that party has previously submitted, under seal, all proposed exhibits and other documents containing or reflecting such Designated Material to the Board, and has accompanied such submission with a written request that the Board (a) restrict attendance at the hearing during any discussion of such Designated Material, and (b) restrict access to any portion of the record or briefs reflecting discussion of such Designated Material in accordance with this Protective Order.
12. If any party intends to use any Designated Material in the course of any deposition in these Proceedings, that party shall so advise counsel for the party producing the Designated Material, counsel for the deponent, and all other counsel attending the deposition. Attendance at any portion of the deposition at which any Designated Material is used or discussed shall be restricted to persons who may review that material under the terms of this Protective Order. All portions of deposition transcripts or exhibits that consist of, refer to, or otherwise disclose Designated Material shall be filed under seal and be otherwise handled as provided in Paragraph 9 of this Protective Order.

16. Nothing in this Protective Order restricts the right of any party to disclose voluntarily any Confidential Information originated by that party, or to disclose voluntarily any Confidential Documents originated by that party, if such Confidential Information or Confidential Documents do not contain or reflect any Confidential Information originated by any other party.
