Re: **Docket No. FD 36873 - Union Pacific Corporation and Union Pacific Railroad Company – Control -- Norfolk Southern Corporation and Norfolk Southern Railway Company**

Dear Judge Soulikias:

I write on behalf of Grand Trunk Corporation and its U.S. rail operating subsidiaries (collectively “CN”) to join in BNSF’s, CSX’s, and CPKC’s request seeking an order establishing production deadlines for Applicants. See BNSF-33/CSX-11/CPKC-27. CN agrees that the implementation of production deadlines will assist the parties in moving efficiently through discovery. Additionally, the implementation of rolling productions and status updates regarding pending requests will ensure a transparent and efficient discovery process for all parties in the proceeding.

Further, CN notes that it intends to serve additional discovery requests on Applicants and respectfully requests that any implementation of ongoing deadlines, including the requirement that Applicants engage in bi-weekly rolling productions and provide regular status updates, should equally apply to any such future discovery requests.

Respectfully submitted,

/s/ Sara Razi
