Re: TCEQ NEPA Request #2026-262. LAREDO GATEWAY INDUSTRIAL RAILWAY, LLC - CONSTRUCTION AND OPERATION OF A LINE OF RAILROAD DOCKET NO. FD 36847. Webb County.

Dear Ms. Poole,

The Texas Commission on Environmental Quality (TCEQ) has reviewed the above-referenced project and offers the following comments:

The proposed action is located in Webb County, which is currently designated attainment/unclassifiable for the National Ambient Air Quality Standards for all six criteria air pollutants. Federal Clean Air Act, §176(c) general conformity requirements do not apply for this action.

The Office of Water has no comments. The environmental assessment addresses issues related to surface and groundwater quality.

Any debris or waste disposal should be at an appropriately authorized disposal facility.

Thank you for the opportunity to review this project. If you have any questions, please contact the agency NEPA coordinator at (512) 239-5538 or NEPA@tceq.texas.gov.

Sincerely,
