Re: FD 36447, Lake Providence Port Commission –
Feeder Line Application – Line of Delta Southern
Railroad Located in East Carroll and Madison
Parishes, LA.

Dear Chief of Case Administration:

In its decision herein served November 20, 2023, the Board ordered Lake Providence Port Commission (“LPPD”) to file a copy of the Second Amended Railway Lease Agreement By and Between LPPC and North Louisiana & Arkansas Railroad, Inc. (“NLA”). This was timely filed on November 30, 2023. However, Daniel B. Robbins, NL&A’s President, and Wyly Gilfoil, LPPC’s former Executive Director, subsequently agreed to modify the terms and conditions of Section 3.1.d of the Second Amended Lease Agreement to read as follows:

d. “Freight revenue” is defined herein to mean payment received by NLA for the transportation of railcars, but excludes storage of railcars, switching and weighing charges, demurrage and energy surcharge payments.

Although the agreement to modify the terms of the Second Amended Lease Agreement was made after that Second Amended Lease Agreement was submitted to the Board, it has not been reduced to a written amendment to the Second Amended Lease previously filed with the Board as of this time. However, because LPPC relied on the modification agreement with NLA when it filed its 2024 Application with the LA Bond Commission, it has been the subject of deposition testimony taken by counsel for Delta Southern Railroad, Inc.

If you have any questions, please contact the undersigned.

Respectfully submitted,

/ s/Richard H. Streeter
