Re: FD 36447, *Lake Providence Port Commission – Feeder Line Application – Line of Delta Southern Railroad Located in East Carroll and Madison Parishes, LA*

Dear Chief of Case Administration:

This letter responds to the protestations of Applicant LPPC in its letter to the Board filed on July 8, 2026 — that (i) LPPC and NLA have an unwritten amendment to the Second Amended Railway Lease Agreement By and Between LPPC and NLA filed with the Board on November 30, 2023 (“Agreement”), (ii) LPPC did not think the alleged amendment needed to be written down or filed with the Board, and (iii) that DSRR just does not understand. All are resolved by the Agreement itself:¹

SECTION TWENTY. Modification of Agreement

Any modification of this Lease or additional obligation assumed by either party in connection with this agreement shall be binding only if reduced to writing and signed by each party or an authorized representative of each party.

Respectfully submitted,

/s/ John M. Scheib
