RE: Docket No. FD 36854

Dear Sir or Madam,

Regarding your proposed projects, the Tonkawa Tribe of Indians of Oklahoma submits the following:

The Tonkawa Tribe has no specifically designated historical or cultural sites identified in the above listed project area. However if any human remains, funerary objects, or other evidence of historical or cultural significance is inadvertently discovered then the Tonkawa Tribe would certainly be interested in proper disposition thereof.

We appreciate notification by your office of the many projects on-going, and as always the Tonkawa Tribe is willing to work with your representatives in any manner to uphold the provisions of NAGPRA to the extent of our capability.

The Tonkawa Tribe of Indians of Oklahoma completely funds our NAGPRA, TCNS programs; Donations to offset these program costs will be greatly appreciated. Without these programs, we will lose more and more of our ability to protect our sacred sites.

Respectfully,

A handwritten signature in blue ink, reading "Miranda 'Nax'ce' Myer". The signature is fluid and cursive, with the first name "Miranda" being the most prominent.

Miranda "Nax'ce" Myer
NAGPRA Representative
