CHANGES TO DELEGATIONS

Decided: August 21, 2026

By decision served and published in the Federal Register on August 18, 2026 (91 Fed. Reg. 53,362), the Board issued a final rule revising its regulations to clarify certain existing delegations of authority, create certain new delegations, codify and expand the Board's grant stamp procedures, and make nomenclature changes. The final rule is scheduled to become effective on September 17, 2026.

Page seven of the August 18 decision erroneously references "49 U.S.C. 553(b)(B)." The correct citation for that reference is "5 U.S.C. 553(b)(B)."

By the Board, Anika S. Cooper, Chief Counsel, Office of Chief Counsel.
