Hi Justin,

Please submit an executed copy of the Memorandum of Understanding referenced in your letter. After we receive it, we will set up a meeting to discuss moving forward with the environmental review for the proposed rail line construction.

Thanks,
Danielle

Danielle/Karen:

I hope you are well. Attached please find a letter from Lampwrights to OEA to inform OEA that Lampwrights and the Brockway Area Sewage Authority have entered into an agreement for the relocation of the sewer line. Copied on this email is Jeff Gordon, the BASA solicitor.

Once you have reviewed, I would appreciate if we could re-start the environmental review process. I think we will require a call to reorganize since it has been about seven months since this process was place on hold.

Thank you,

Justin
