MAJOR MERGER - UNION PACIFIC & NORFOLK-SOUTHERN - FD36873

NOTICE OF INTENT TO PARTICIPATE (revised w/ certificate of service)

TO WHOM IT MAY CONCERN:

As Chairman of i-75 Central Corridor Coalition, Inc. (a 501 c 6 organization), I submit this Notice of our Intent to Participate in the above referenced major merger.

Our organization has 14 local government members (7 municipal members and 7 county members) plus a number At-Large Members (including Ga. Power and Central Ga EMC), and we are dedicated to the promotion of "Smart Growth" in the corridor between Atlanta and Macon, GA. A principal component of "Smart Growth" is transportation, and the Atlanta-Macon-Savannah corridor is currently being considered as one of the alternative routes for Intercity Passenger Rail between Atlanta and Savannah.

We hope to participate in the discussions in this proposed merger about how best to position Atlanta as the Southeast Hub for the national network of Intercity Passenger Rail and to advocate for the Atlanta-Macon-Savannah route for Atlanta-Savannah Intercity Passenger Rail service. There are a number of important environmental, economic, and public service considerations that need to be articulated, and we can help.

Thank you for your consideration.

Sincerely,

Robert A.B.Reichert
