**UNION PACIFIC CORPORATION, UNION PACIFIC RAILROAD COMPANY, AND NORFOLK
SOUTHERN CORPORATION, NORFOLK SOUTHERN RAILWAY COMPANY
CONTROL AND MERGER**

NOTICE OF INTENT TO PARTICIPATE OF UNIVAR SOLUTIONS LLC

Pursuant to the Surface Transportation Board's procedural schedule in the above-captioned proceeding, Univar Solutions LLC ("Univar Solutions") hereby submits this Notice of Intent to Participate and requests designation as a Party of Record in this matter.

Univar Solutions is a leading global distributor of chemicals and ingredients and one of North America's largest transportation-intensive supply chain providers serving thousands of customers across industrial, manufacturing, energy, agricultural, water treatment, coatings, food, pharmaceutical, and consumer end markets. The company operates an extensive network of warehouses, distribution centers, terminals, packaging facilities, and transportation assets throughout the United States, Canada, and Mexico.

Rail transportation plays an important role in supporting Univar Solutions' supply chain and the movement of essential chemicals and products that are critical to manufacturing, infrastructure, public health, energy production, water treatment, and other sectors of the economy. As a significant rail customer and stakeholder in the national freight transportation network, Univar Solutions has a substantial interest in the potential effects of the proposed transaction on rail competition, service reliability, network resiliency, safety, transportation costs, and broader supply chain performance.

Univar Solutions intends to participate in this proceeding to evaluate and, as appropriate, provide comments regarding the potential impacts of the proposed transaction on shippers, supply chains, and the communities and industries that depend upon efficient freight rail service. By filing this Notice of Intent to Participate, Univar Solutions seeks Party of Record status and requests service of all filings, decisions, notices, and other materials issued in this docket.
