Re: **Docket No. MCF 21154**
First Student, Inc., EQT Infrastructure V Collect EUR SCSp, EQT Infrastructure V
Collect USD SCSp, and EQT Fund Management S.à r.l. — Acquisition of Control —
Autumn Transportation Inc. and Ambassador Wheelchair Services, Inc.

Dear Chief of Case Administration:

We write in response to the Surface Transportation Board's October 1, 2026 request for clarification regarding the status of certain motor carriers. As context, the Board previously approved EQT's acquisition of First Student, Inc. and related entities identified in Finance Docket No. MCF 21093. After First Student filed its application in the current matter concerning the acquisition of control of Autumn Transportation Inc. and Ambassador Wheelchair Services, Inc., Docket No. MCF 21154, the Board required EQT to file a separate joinder in First Student's application. EQT filed its joinder on September 23, 2026, and all parties requested expedited review on September 29. To proceed with consideration of First Student's application, the Board requested information concerning the present status of three entities EQT acquired via MCF 21093: First Transit, Inc., FirstCanada ULC, and Transit Management of Dutchess County, Inc. Although First Student's pending application addresses the status of two entities acquired by EQT, First Student, Inc. and First Mile, LLC, the Board seeks information about the remaining three entities. Accordingly, this letter provides the additional information requested as to the status and ownership of the three remaining carriers previously associated with the EQT-controlled group.

1. First Transit, Inc.

First Transit, Inc. was divested from the Recess Holdco LLC portfolio on March 6, 2023, upon the closing of its sale to Transdev North America, Inc. *See* TRANSDEV GROUP, S.A.—Acquisition of Control—First Transit Topco, Inc., STB Finance Docket No. MCF 21103 (served Jan. 5, 2023). EQT no longer owns or controls First Transit, Inc.

2. Transit Management of Dutchess County, Inc.

Transit Management of Dutchess County, Inc. ceased operations and was dissolved on June 25, 2025, upon the filing of a Certificate of Dissolution-Cancellation with the State of New York. EQT does not own or control Transit Management of Dutchess County, Inc.

3. FirstCanada ULC

FirstCanada ULC d/b/a First Student Canada (“First Canada”) is an Alberta unlimited liability company and an affiliate of First Student, Inc. The principal address of the company is 3455 Landmark Road, Unit 2, Burlington, Ontario L7M 1T4, Canada. It provides student transportation services under contracts with school districts and local transportation services under contracts with local governments and transit agencies, as well as airport and other motor passenger transportation services throughout Canada. Although included in the corporate structure chart submitted with the pending application, it no longer operates any routes in the United States. The company holds FMCSA operating authority under MC-188050 and USDOT No. 293756 based on its prior cross-border operations in the United States, but those operations are no longer conducted.

Please let us know if you have any further questions.

Sincerely,

/s/ Alan Abes
