CN's THIRD QUARTER 2026
INTERCHANGE DATA SUBMISSION

Pursuant to the Board's decision served March 13, 2025, as clarified by staff reporting instructions,[1] the FD 36744 Applicants Canadian National Railway Company, Grand Trunk Corporation and Iowa Northern Railway Company (collectively, "CN") hereby provide their public and highly confidential interchange data reports for the third quarter of 2026. Consistent with the quarterly interchange data for 2025 and the first two quarters of 2026, CN counted revenue carloads and revenue empties to and from Iowa Northern locations that were interchanged in linehaul service with other carriers at Nora Springs, Manly, Waterloo, and Cedar Rapids, based on the revenue waybill. Interchange reporting excludes interchange volumes between CN and Iowa Northern at Waterloo and Cedar Rapids, consistent with interchange reporting in prior proceedings. As with CN's prior quarterly submissions, STCC 49 was added to the highly confidential submission, reflecting the treatment of hazardous material traffic in available records.

[1] Staff reporting instructions were posted in the docket on March 13 and April 4, 2025.

Respectfully submitted,

/s/ *Thomas J. Litwiler*
