Topic: Docket No. EP 762 Revisions to Regulations for Expedited Relief for  
Service Emergencies

Summary of the Matters Discussed, Prepared by General Counsel Craig Keats:

The Board has conducted stakeholder outreach regarding its emergency service regulations over the last several years, including receiving relevant testimony during a 2017 hearing, Public Listening Session Regarding CSX Transp., Inc.'s Rail Serv. Issues, EP 742, (Oct. 17, 2017) and hosting informal stakeholder discussions in 2018, see STB Press Release, No. 18-2 (Mar. 15, 2018). In this proceeding, the Board is considering proposing to clarify and amend its emergency service rules at 49 C.F.R. § 1146 to improve the public's access to, and understanding of, the Board's emergency service procedures. Staff and members discussed potential next steps.
