2. Workpaper Issues.

Applicants are providing an updated Workpaper Index that reflects these updates. All citations in the Amended Operating Plan to the previous filenames should be taken as referring to the new, shorter filenames.

- (b) Applicants have become aware that certain workpapers underlying the Amended Operating Plan were inadvertently not provided on May 13. Applicants are providing those workpapers, as follows:

- “Yard Cars Per Day.xlsx”
- “CP-KCS Capacity Projects.xlsx”
- “Y2020_KCSM_v1.pdf”
- “CYGNUS GTMs _ KCS Year 3 5_vBR.xlsx”
- “Labor Impact Exhibit Summary.xlsx”
- “T&Es KCS V3 base 2022 Final.xlsx”
- “T&Es.xlsx”

- (c) Applicants are reproducing workpaper “Waybill data for Traffic File Generation.xlsx” with corrected citations within this file.

3. Updated Workpaper Index Spreadsheet

Applicants are providing an updated Workpaper Index that incorporates all corrections listed above. Applicants are identifying two additional corrections reflected on the Index:

- Applicants have removed “Yard Activity Calculations.xlsx” from the Index. The correct file reference is “MREE Yard Activity Reports Summary.xlsx,” which was provided on May 13 and reflected on the May 13 version of the Index.

- Applicants have added “Trains Per Day and Gross Ton Miles.xlsx” to the Index. This file was provided on May 13, but was inadvertently left off the Index.

Applicants are also providing the Board with a spreadsheet identifying the sources for each Appendix accompanying the Amended Operating Plan and each component of Exhibit 14.

Accompanying this letter is the updated Workpaper Index. Confidential (and Highly Confidential) workpapers will be provided to the Board under seal and made available to those parties who have executed appropriate confidentiality undertakings pursuant to the Protective Order.

Please contact me with any questions.

Respectfully submitted,
