To whom it may concern:

I'm writing this letter as a concerned citizen who is being threatened by the use of eminent domain from a private entity. This private entity stands to profit at the sake of worthy land owners. Furthermore, this private "transportation company" (notice how I did not imply they are an actual Class 1 railroad) has not divulged to whom the investors and/or shareholders are in this venture. It is the public's right to have this information provided to them and the STB should deny the order of protection being granted to the GLBT.

Additionally, please provide an extension to this commenting period as the public is not fully aware of the proceedings and the process in which to go about making formal requests.

Thank you for your immediate consideration to this urgent matter.

Sincerely,

Jason R. Kokos
