Please deny the request for order of protection of glb investors. Landowners have the right to know who plans on stealing their land for the glb's private profit. This plan has no financing, no funding, and no customers. In Sumner Township, where glb claims would be their Manteno railport, 261 homes and farms would be destroyed. This project does not threaten just a handful of people, this threatens thousands. Deny this request and reject the application, please! thank you, Julie Kokos
