Deny Order of Protection for the GLBT Railroad

Docket # FD 35952

To Everyone At The Surface Transportation Board:

1. What are you thinking of letting this happen??????
2. Please deny the request for the GLBT to keep secret their Investors and Stockholders, if they have our names we should be able to have a list of theirs also.
3. The GLBT has yet to disclose why/what this project is for, but self gain. I see no letter to you yet about how happy someone will be for it, but jobs. Those jobs will last a few years and be gone and then what?
4. You will put me and my husband out of business with this railroad when it comes. We are talking about: Faulkner Quarry, Rivers Edge Stone, Rivers Edge Campground, Rivers Edge Coffee Shop, and the rest of the 5 Generations of farm that we still have going.
5. What about the Indian Mound in this county and the other counties that have them???? Will the STB let them be destroyed or saved????????

Thank You For Your Time, Brenda Faulkner
