CSX TRANSPORTATION, INC

Defendant.

Docket No. NOR-42123

JOINT SUBMISSION OF OPERATING CHARACTERISTICS

M&G Polymers USA, LLC (M&G") and CSX Transportation, Inc. ("CSXT") hereby file their Joint Submission of Operating Characteristics. The parties have agreed upon seven of the nine operating characteristics for each issue movement. Although the parties have not been able to reach agreement upon "Railroad Miles" and "Tons per Car," they will continue to attempt to resolve these differences for as many issue movements as possible prior to the submission of evidence. The operating characteristics upon which the parties have agreed are presented in Exhibit A.

Respectfully submitted,
