Message: I am a resident of Noblesville township in Hamilton Co, Indiana and I want to express
my opposition to the proposed railbanking and interm use of the Nickel Plate railroad
line.

I have utilized the passenger rail service in the past and and feel it is a valuable asset
to our community.

I don't feel that the owners have engaged the community and given us a chance to
voice our opinions.

My personal experience is that all my friends and neighbors that I have discussed this
issue with are in favor of keeping the rails. I have not met a single person who prefers
the trail.

I believe it would be a big mistake to rip out these tracks and give up the strategic and
valuable light rail connection with Indianapolis.

I would request that the board wouldn't approve any action that would allow the
government bodies to take action without giving the chance for the public voice to be
heard.

Thank you for your consideration.

Sincerely,

Douglas E. Kuhlman
