Union Tank Car Company (“UTC”), GATX Corporation (“GATX”), Trinity Industries, Inc. (“Trinity”), and American Railcar Industries, Inc. (“ARI”) (individually, “Tank Car Owner” or “Owner,” and collectively, “Tank Car Owners” or “Owners”), non-parties to the above-captioned matter, hereby submit this status report in response to the order of Administrative Law Judge Dring served March 3, 2017.

UTC made its full document production to UP on April 6, 2017. The other Tank Car Owners have been working to compile and prepare discovery materials for production to Defendant Union Pacific Railroad Company (“UP”) in accordance with the order served October 13, 2016, as discussed at the discovery status conference held April 19, 2017.

ARI is reviewing relevant invoices, compiling ESI data, and collecting leases identified by UP, as well as compiling other data previously collected.

Trinity is reviewing its collected data for responsive materials consistent with its representations at the last status conference

GATX is working to compile and review the data and documents responsive to the Discovery Order, and has identified no issues potentially delaying its timely production.

ARI, Trinity, and GATX all expect to be able to complete document production within the time period discussed at the discovery status conference.

Respectfully submitted,

Peter A. Pfohl
